licenses and permits, taxes, fees, and gas included! Full toilet on board! Join this professional local fishing experience in Cozumel! We will meet at Marina Fonatur, just a 5-minute taxi ride away from downtown Cozumel or any of the international cruise ship
terminals. Your fully equipped 29ft Mako and crew will be awaiting you before it is off for a scenic coastal boat ride to Punta Sur, our main fishing area. You will drive past many of Cozumel's landmarks, resorts, beach clubs, dive, and snorkel sites in the Marine Park before arriving at the South Drop-Off. This underwater island structure provides
perfect fishing grounds and extends over several miles and when fishing near the drop-off, depth is between 300 and 800 feet. Your crew will then start to rig the fishing gear, for bait we mostly use rigged or unrigged ballyhoos and plastics, depending on the fish we are looking for, normally with 4 to 6 lines in the water including outriggers and
downriggers. Trolling is done at approximately 8 MPH which allows for a smooth ride while enjoying the music. Ice-cold drinks including bottled water, beers, and sodas as well as Rum and Tequila are available throughout your private fishing charter and you can choose from 4, 6, or 8 hours (see shopping cart options). When a fish is hooked, be ready
to put on a fight with one of the 30, 50 or 80 reels! The crew will assist you in anything you need to make sure you have a safe and exciting fishing experience in Cozumel, Mexico! You may also choose to bottom fish or live-bait fish where there are a large variety of fish including red snapper, triggerfish, grouper, coronado, barracuda, and many many
more! Another option to add to your private fishing charter is marine park snorkeling as well as a visit to the famous El Cielo sandbar where you can swim and snorkel in crystal clear waters, watch stingrays and fish and have a cold drink in knee-deep water (visiting El Cielo if weather or government permits). Please note that this excursion has an
emphasis on fishing with the option to do a little snorkeling. If you are looking for something that includes more snorkeling, please see Cozumel Private Marine Park Snorkel and El Cielo Sandbar Powerboat Excursion that includes the same great boat and crew. At the end of your trip, we return to the meeting location, just a short taxi ride away from
downtown Cozumel, any of the international cruise ship terminals or resorts. Enjoy a great day fishing and relaxing at the best spots Cozumel has to offer! The tournament-winning boat and crew will take you deep sea and/or bottom fishing for Marlin, Mahi, Wahoo, Tuna, and more, with optional swimming and snorkeling at the famous El Cielo
sandbar (and possibly enjoy a fresh Ceviche of your catch)! Full refund for cancellations 24+ hours in advance.
